

# Versailles, Kiss

It's Beyond Me, What I'm Doing Here Tonight,  
I Know You Can't Be Delving Into My Peace Of Mind,  
Am I Your Fantasy? Or Just A Girl In Your Sights?  
Is This The Real World ?  
Show Me Life Through Your Eyes.

Do These Thoughts Exist?

In This Place I Miss,

Give You One Last Kiss.

And Now I'm Cold, Will You Warm Me In Your Hold?

Is This The Place? Keep Me Locked Up In Your Embrace,

And What's This Mean To Me? Guess I'll Find Out On Ecstasy,

Deliver Me Into The Hands Of A Prodigy.
