

Vicetone, I'm On Fire

I'm like a phoenix, I'm on fire
I'm like a phoenix, I'm on fire
Like a phoenix, I'm on fire
I'm like a phoenix, I'm on fire
Like a phoenix, I'm in fire
Like a phoenix, I'm on fire
Now that I've got you off my mind
Like a phoenix, I'm on fire
Finally left you, left you far behind
