

Victor Thompson, THIS YEAR (Blessings, Remix)

Everything I've been wanting
Manifesting for my life
Everything you've been wanting
Manifesting for your life
Everything I've been wanting
Manifesting for my life
Everything you've been wanting
Manifesting for your life
Oh-oo, oh, oh
Ooh, oh, oh
Yeah (La-da-da-da-da, la-da-da-da-da-da), yeah, yeah
Yeah, yeah

This year, blessing
Money, testimony
Go, dey follow, follow
Follow, follow
Follow, follow, follow you dey go
This year, good news
Jaiye, plenty balling
Go, dey follow, follow
Follow, follow, follow, follow
Follow, follow, follow you dey go

Everything I've been wanting
Manifesting for my life
Everything you've been wanting
Manifesting for your life
Everything you've been wanting
Manifesting for your life
Everything you've been wanting
Manifesting for your life

No stress, much less
Start from nothing (Nothing)
Life's hard, still blessed
Whole walking testimony (Walking testimony)
Feel lost, still blessed (Still blessed)
I stretch, touch the money (The money)
Go, dey follow, follow
Follow, follow, follow, follow
And say, "Young GunWunna is the G.O.A.T." (say, "Young GunWunna is the G.O.A.T.")
Planted me a seed and watched it grow
Travel overseas, across the globe
Grinding to survive is all I know, oh (Oh)
Manifesting, reaching all my goals
Talked to God, it's out of my control
I will never, ever sell my soul, oh

Everything you've been wanting
Manifesting for your life
Everything you've been wanting
Manifesting for your life
Everything you've been wanting (La-da-da-da-da-da-da)
Manifesting for your life
Everything I've been wanting (La-da-da-da-da-da-da)
Manifesting for my life
Everything you've been wanting
Manifesting for your life

This year, blessings
Money, testimony
Go, dey follow, follow
Follow, follow

Follow, follow, follow, you dey go
This year, good news
Jaiye, plenty money
Go, dey follow, follow
Follow, follow
Follow, follow, follow you dey go
