Viki Gabor, Have Yourself a Marry Little Christma

Have Yourself A Merry Little Christmas Have yourself a merry little Christmas Let your heart be light Next year All our troubles will be out of sight Have yourself a merry little Christmas Make the Yuletide gay Next year From now on, your troubles will be miles away Here we are as in olden days Happy golden days of yore Faithful friends who are dear to us Gather near to us once more Through the years we all will be together If the fates allow But 'til then we'll have to muddle through... Somehow And have yourself a merry little Christmas now
