

# VINCE GILL, From Where I Stand

(Vince Gill, Al Anderson, John Hobbs)

Oh, I'm drawn to you  
Like a burnin' flame  
But somebody's waitin'  
That bears my name  
Oh, Lord knows I'd love to love you  
'Cause you know I'm just a man  
But I can't  
Not from where I stand

You see I made a promise  
When I put on that rign  
And I plan to kep it, babe  
It's a sacred thing  
Well, heaven knows I'm tempted  
I hope you understand  
That I can't  
Not from where I stand

[Chorus:]  
Oh, from where I stand  
There's a golden band  
And I swear I couldn't stand  
To lose it all  
So, I better run  
While I still can  
'Cause I can't, babe  
Not from where I stand

[Chorus]  
No I can't, not from where I stand  
Yeah, not from where I stand
