Vince Neil, The Crawl

Romance her now dance her now and then Show me how, show me how again Yeah Cause baby when you whisper in my ear Ooh, I like it, I like it Tell me all the words I wanna hear Ooh, I like it, I like it You make me crawl to you I say, you make me crawl to you Well I fall in not with any doubt Till I give in cause I can't go without You make me crawl to you, again and again Ya know, you make me crawl to you Ahh, I gotta know when I'm gettin' on With you, with you oh yeah Ahh, tell me what you want Romance her now dance her now and then Cause baby when I get you all alone You like it, you like it So show me how, show me how again Cause you make me crawl to you Ya know, You make me crawl to you, again and again
