

# Vintage Culture, Adam K, Save Me (feat. MKLA)

come and save me  
we're crazy  
but still I keep on dreaming of you  
come and save me  
we're crazy  
wanna fall into the darkness with you  
come and save me  
we're crazy  
but still I keep on dreaming of you  
come and save me  
we're crazy  
wanna fall into the darkness with you
