

# Violet Indiana, Heaven

I watch her sleeping  
And she's so beautiful  
I hear her breathing  
Her hands keep squeezing mine  
Her tears like diamonds as  
They fall from her eyes

Heaven  
Give me heaven  
So this little star to shine  
Heaven  
Heaven

Her wings were broken  
Her fears were spoken  
As she stares above  
I hear her screaming  
All that she's feeling  
Does she feel my love

Heaven  
Give me heaven  
So this little star to shine  
Heaven  
Heaven  
Give me heaven  
Give me heaven  
So this little star to shine  
Heaven  
Heaven
