

# VIZE feat. @ILIRA, Livin' Loud (by glo ™)

We can have it all  
There's no need to compromise  
Don't play by the rules  
Can't stop doing it the way we like  
Yeah  
Got me feeling so hypnotised  
When we're leaving up in the night  
Over the city, lights are so pretty  
Don't know where to go, we just ride  
Yeah, we gotta leave it all behind  
300 on the fast lane  
Don't know what day it is, head's in the cloud  
'Cause we're living now, na-na-na-na-na  
Follow the city lights, we're living loud  
'Cause life's not enough, na-na-na-na-na  
Na-na-na, na-na-na  
Life is not enough  
Na-na-na, na-na-na  
Got our heads in the cloud, got our heads in the  
Don't know what day it is, head's in the cloud  
'Cause we're living now, na-na-na-na-na  
There's no turning back  
We're focussed, know we're way too fast  
You can't hold us back  
We're so close, feeling like the world is ours  
Yeah, got me feeling so hypnotised  
When we're leaving up in the night  
Over the city, lights are so pretty  
Don't know where to go, we just ride  
Yeah, we gotta leave it all behind  
300 on the fast lane  
Don't know what day it is, head's in the cloud  
'Cause we're living now, na-na-na-na-na  
Follow the city lights, we're living loud  
'Cause life's not enough, na-na-na-na-na  
Na-na-na, na-na-na  
Life is not enough  
Na-na-na, na-na-na  
Got our heads in the cloud, got our heads in the  
Don't know what day it is, head's in the cloud  
'Cause we're living now, na-na-na-na-na
