## VIZE feat. @ILIRA, Livin' Loud (by glo ™)

We can have it all There's no need to compromise Don't play by the rules Can't stop doing it the way we like Yeah Got me feeling so hypnotised When we're leaving up in the night Over the city, lights are so pretty Don't know where to go, we just ride Yeah, we gotta leave it all behind 300 on the fast lane Don't know what day it is, head's in the cloud 'Cause we're living now, na-na-na-na-na Follow the city lights, we're living loud 'Cause life's not enough, na-na-na-na-na Na-na-na, na-na-na Life is not enough Na-na-na, na-na-na Got our heads in the cloud, got our heads in the Don't know what day it is, head's in the cloud 'Cause we're living now, na-na-na-na-na There's no turning back We're focussed, know we're way too fast You can't hold us back We're so close, feeling like the world is ours Yeah, got me feeling so hypnotised When we're leaving up in the night Over the city, lights are so pretty Don't know where to go, we just ride Yeah, we gotta leave it all behind 300 on the fast lane Don't know what day it is, head's in the cloud 'Cause we're living now, na-na-na-na-na Follow the city lights, we're living loud 'Cause life's not enough, na-na-na-na-na Na-na-na, na-na-na Life is not enough Na-na-na, na-na-na Got our heads in the cloud, got our heads in the Don't know what day it is, head's in the cloud 'Cause we're living now, na-na-na-na-na
