

Volturian, Fading Like a Flower (Roxette cover)

In a time when the sun descends alone
I ran a long long way from home
To find a heart that's made of stone
I will try, I just need a little time
To get your face right out of my mind
To see the world through different eyes

Every time I see you, oh I try to hide away
But when we meet it seems I can't let go
Every time you leave the room
I feel I'm fading like a flower

Tell me why
When I scream there's no reply
When I reach out there's nothing to find
When I sleep I break down and cry

Every time I see you, oh I try to hide away
But when we meet it seems I can't let go
Every time you leave the room
I feel I'm fading like a flower

Fading like a rose
Fading like a rose
Beaten by the storm
Talkin' to myself
Gettin' washed by the rain
It's such a cold cold town
