Such a wicked vicious woman, black magic voodoo queen  
Lesbo nymphomaniac, ooh, she's got a girlfriend that's seventeen  
Bye bye bye

Stole the rent and drank all my JD  
She went and hijacked my brand new car  
I say AC, she says DC  
The damned bitch is just too bizarre  
Bye bye bye

The hellraiser finally pushed her luck  
Before I go leave her in her dust
