

W.A.S.P., Dirty Balls

I wanna ride you
Like the animal you are
I wanna ride you til you're raw
I wanna slide up all inside
All over you
I wanna do you like
The wicked bitch you are
Call me a bastard
A real bad attitude
Shove it in their faces
Show my dirty ooh

I'm gonna do you like
The savages you are
I wanna do ya til you die
I'm gonna ride 'em cowboy style
For all to see
Make 'em all my bitches
Take 'em all and make 'em cry
Oh am I nasty?
Do you think I'm rude?
I just wanna see ya'
Hold my dirty ooh

Dirty balls, balls, balls
Is all I need
Hang 'em high oh tonight
So the world can see
Dirty - balls, balls, balls
Is all I need
So dirty oh Lord a' mercy
All I want to see

I'm gonna hold, gonna hold em'
High, high, high
So dirty, oh so dirty oh
Til I die, die, die
