

W.A.S.P., The Raging Storm

(Jesse to God)

A storm is come
One war of sun and rain - within me
A raging storm
Lost crossroads thundering - in the wind
Dark and son
Who's the only one
To lay claim of me
Altars of store
Righteous temptations
Here at my feet

Give me love
To rage in me can you see?
Only love
Is saving me
Give me love, oh love
That rage in me

It rages on
Of mourn and memories
In the wind
A warring storm
My soul is bargaining - in the end
Is there no sun?
With only love in vain - and it's pain
Hear me oh Lord
Cleanse me evermore with
Your blood of rain

Holy war for my soul
Scars of memories remain
Oh, tell me why am I here
Storms of crossroads are rage
