

W.A.S.P., The Rock Rolls On

There's never a day, that's passing my way
That I never need it
My hands on the wheel, my foot's on the steel
'Cause I gotta feel it

(REFRAIN:)

The rock rolls forever on - ooh, forever on
Like thunder - coming down, ooh, yeah
The rock rolls forever on - ooh, forever on
Like thunder - coming down, ooh, yeah

It blows through my veins like thunder and rain
And I can't live without it
I scream for the crowds, and turn it up loud
'Cause I gotta feel it

(REFRAIN:)

Six string and lightning strikes
Come make me blind
Ooh burn it up
Bring down the pedal to the metal

(REFRAIN:)

Forever never stop
