

W&W, Nowhere To Go (feat. Bree)

Don't roll your eyes
I know you can't stand the way that I move
Good thing I'm not bothered by looks

Let's head back to our table
'Cause we're willing and able
Let's make this one for the books

Let's toast the crowd
Get heavy and loud

Tonight
We got nowhere to go, nowhere to be but here
Nowhere to go, nowhere to go

Tonight
We got nowhere to go, nowhere to be but here
Nowhere to go, nowhere to go /3x

March to the bar, pretend we're
Not who we are 'cause we are
Seduced by the booze in our veins

One look at you and I know
You're in the mood, so let's go
To the dance floor I got the reins

Let's toast the crowd
Get heavy and loud

Tonight
We got nowhere to go, nowhere to be but here
Nowhere to go, nowhere to go

Tonight
We got nowhere to go, nowhere to be but here
Nowhere to go, nowhere to go /3x

Nowhere to go, nowhere to go
Nowhere to go, nowhere to go
/2x
