Wade Hayes, The Day That She Left Tulsa

We were half a mile high on the ferris wheel at our old county fair I didn't even know we had trouble until she told me way up there that's when my life started spinning round my world came crashing to the ground The day that she left tulsa

Chorus

In a chevy in a hurry in the pourin down rain with the caution lights flashin in the passin lane from a bridge I watched our dreams goin down the drain in a chevy in a hurry in the pourin' down rain

No she wasn't showin yet but she'd be by Christmas time Up there like a fool I took for granted it was mine she never came out and told me that I was wrong but all of a sudden the light came on the day that she left tulsa

Chorus

I guess she thought the truth would end up drivin me away but she was wrong but I never had the chance to say the day that she left tulsa

In a chevy in a hurry in the pourin down rain (2 X's)

Chorus

In a chevy in a hurry in the pourin down rain (2x's)
