

Wailin' Jennys, Old Man

Old man, look at my life, I'm a lot like you

Old man, take a look at my life
Twenty-four and I'm so much more
Live alone in a paradise, makes me think of two

Love lost at such a cost
Give me things that don't get lost
Like a coin that won't get tossed, rolling home to you

Old man, take a look at my life, I'm a lot like you
I need someone to love me the whole day through
Oh, one look in my eyes and you can tell that's true

Lullabies, look in your eyes
Run around the same old town
Doesn't mean that much to me, mean that much to you

I've been first and last
Look at how the time goes past
But I'm all alone at last, rolling home to you

Old man, take a look at my life, I'm a lot like you
I need someone to love me the whole day through
Oh, one look in my eyes and you can tell that's true

Old man, look at my life, I'm a lot like you
