

# Waitresses, Know What Boys Like

I know what boys like  
I know what guys want  
I know what boys like  
I've got what boys like

I know what boys like  
I know what guys want  
I seen them looking

I make them want me  
I like to tease them  
they want to touch me  
I never let them

I know what boys like  
I know what guys want  
I know what boys like  
Boys like, boys like me

But you you're special (I might let you)  
You're so much different (I might let you)  
Ooooh would you like that? (I might let you)

I know what boys like  
I know what guys want  
I know what boys like  
I know what's on their minds

I know what boys like  
I know what guys want  
They talk about me

I got my cat moves  
That so upsets them  
Zippers and buttons  
Fun to frustrate them  
They get so angry  
Like pouty children  
Denied their candy  
I laugh right at them

I know what boys like  
I know what guys want  
I know what boys like  
Boys like, boys like me

Nah nah nah nah nah,  
nah nah nah nah nah

I see your sad now (I will let you)  
Sorry I teased you (I will let you)  
This time I mean it (I will let you)  
Anything you want (You can trust me)  
I really want to (You can trust me)  
How would you like it? (You can trust me)

SUCKER! hmhmhm

I know what boys like  
I got what guys want  
I know what boys like  
Boys like, boys like me

Nah nah nah nah nah, nah nah nah nah nah,

nah nah nah nah nah, nah nah nah nah nah,  
nah nah nah nah nah, nah nah nah nah nah
