

# Wanda Jackson, If You Don't Somebody Else Will

Give me a little kiss will you honey if you don't somebody else will)  
If you don't wanna kiss me say so baby  
Somebody else will somebody somebody else will somebody else will  
If you don't wanna kiss me say so baby  
Somebody else will somebody somebody else will kiss me better  
Well I ain't a gonna beg you for your love anymore  
Ever since the first time I have done learned the score  
Well I thought I had to have you once with that's in the past  
Now I found out I'm free from you yeah I'm free at last  
If you don't wanna hold me say so baby  
Somebody else will somebody somebody else will somebody else will  
If you don't wanna hold me say so baby  
Somebody else will somebody somebody else will hold me better  
If you don't wanna love me say so baby  
Somebody else will somebody somebody else will somebody else will  
If you don't wanna love me say so baby  
Somebody else will somebody somebody else will soothe me better
