

Wanda Jackson, Let Me Talk To You

Just one more dance just one more chance so I can talk to you
Don't run around don't turn me down and I will try to prove
I would do anything you want me to
Just one more dance just one more chance let me talk to you
Don't go too far with that crowd at the bar
That's not the way to win please fall in love again
Give me your heart so I can start to build our life anew
Just one more dance just one more chance let me talk to you
(steel)
Don't go too far with that crowd...
