

# Wanda Jackson, Making Believe

making believe that you still love me  
it's leaving me alone and so blue  
still i'll always dream but i'll never own you  
making believe it's all i can do  
i can't hold you close darling when your not with me  
you're somebody's love you'll never be mine  
making believe i'll spend my lifetime loving you  
and making believe

(break)

i can't hold you close darling when you're not with me  
you're somebody's love you'll never be mine  
making believe i'll spend my lifetime loving you  
and making believe
