

Wanda Jackson, Please Love Me Forever

Please love me forever don't forget me ever
Just listen to my plea please don't stop loving me
You're in my dreams nigty don't take my love lightly
Begging on bended knees please don't stop loving me

Oh when I lay me down to sleep I pray the Lord your love have keep
If I should die before I wake I'll be back for you that's no mistake
So I'll love you forever can't forget you ever
Our love was meant to be please don't stop loving me
You're in my dreams nigty...
