

Wanda Jackson, Savin my love

I like a lotta lovin', like a lotta kissin'
You ain't a-gettin' none
You don't know what you're missin'
My love baby, will always be true
I'm savin' my love, baby just for you
I love you every mornin'
Love you every night
Ooh lordy-lordy, I sure love you right
My love baby, will always be true
Yeah, I'm savin' my love, baby just for you
Oh, can't you hear my heart
Hear how it moans
There's no need for you to be alone
My love baby, will always be true
Mmm, I'm savin' my love, baby just for you
If you're lovin' me, like I'm lovin' you
I'd a-be willin' to stick woth you
My love baby, will always be true
Ooh, I'm savin' my love, baby just for you
Yeah, I'm savin' my love, baby just for you
Mmm, I'm savin' my love, baby just for you
