

# Wanda Jackson, Walk On Out Of My Mind

I hear the echo of your footsteps they're right in step with marching time  
Since you've walked out of my life out of my world please walk on out of my mind  
I know you're hiding there in the darkness and it's got me running scared and blind  
Since you've walked out of my life out of my world please walk on out of my mind  
You've got footprints all over my mem'ries I must erase them if I can  
You keep stumbling through my hopes and dreams kickin' round my future plans  
You've got me walking round in circles a looking for somethin' I'll never find  
Since you've walked out of my life out of my world please walk on out of my mind
