Wanda Jackson, You Don't Know Baby

You don't know how much I love you you don't know how much I care
You don't know how much I need you without you life I can't bear
You don't know baby you don't know baby you don't know baby no you don't
You don't know baby no you don't no you can't know how feel

The flame that you left is still burning burning down deep in my soul
When I think of all of your loving and kissing it's you I wanna hold
You don't know baby...

All of my friends say I'm crazy for actin' the way that I do
But I just can't help myself cause I'm still in love with you
And you don't know baby...
No you don't no you can't know how feel
