Wang Chung, Everybody Have Fun Tonight

(Wang Chung / Peter Wolf)

I'd drive a million miles

To be with you tonight

So if you're feeling low

Turn up your radio

The words we use are strong

They make reality

But now the music's on

Oh baby dance with me

Rip it up - move down

Rip it up - move it down to the ground

Rip it up - cool down

Rip it up - and get the feeling not the word

Chorus:

Oh everybody have fun tonight

Everybody have fun tonight

Everybody Wang Chung tonight

Everybody have fun tonight

Everybody Wang Chung tonight

Everybody have fun

Deep in the world tonight

Our hearts beat safe and sound

I'll hold you so close

Just let yourself go down

Rip it up - move down

Rip it up - move it down to the ground

Rip it up - cool down

Rip it up - get the feeling not the word

Repeat Chorus

On the edge of oblivion

All the world is Babylon

And all the love and everyone

A ship of fools sailing on

Across the nation, around the world

Everybody have fun tonight

A celebration so spread the word

Repeat Chorus
