

Wannadies, You and me song

Always when we fight
I try to make you laugh
Until everything's forgotten
I know you hate that
Ba ba ra ra ba ba ba ba
Ba ba ra ra ba ba ba ba
Always when we fight
I kiss you once or twice
And everything's forgotten
I know you hate that
I love you Sunday sun
The week's not yet begun
And everything is quiet
And it's always
You and me - always - and forever
You and me - always - and forever
Ba ba ba ba ba
It was always
You and me - always
You tell me I'm a real man
And try to look impressed
Not very convincing
But you know I love it
Then we watch TV
Until we fall asleep
Not very exciting
But it's you and me
And we'll always be together
You and me - always - and forever
You and me - always - and forever
Ba ba ba ba ba
It was always
You and me - always - and forever
You and me - always - and forever
Ba ba ba ba ba
It was always
You and me - always - and forever
You and me - always - and forever
Ba ba ba ba ba
