

# Warrant, All 4 U

Your voice is a song  
Sweet and long  
I sing along  
Your eyes are like pools  
Bright and cool  
They see through fools  
I'll never change my point of view  
(I wanted you to know the truth)  
That everything I'll ever do  
I do for you  
All for you  
Your hands make me feel  
Feel for real  
Feel so healed  
My love is so true  
And my love is all for you  
Your voice is a song  
Sweet and long  
I sing along
