[Nate Dogg]

I thought I'd met a lot of scandalous women, and then I met Annie Mae Got a thin big butt like steel

But she didn't have a place to stay

[Warren G]

She was shackin at mine and shackin at his blowin my socks, tellin his biz Nate Dogg this and Nate Dogg that 213 skirt, and we stay intact So I told the homey Nate don't be mislead ain't no fun if the homey can't shake a leg so I went to the house and knocked on the door and guess who it was, Annie Mae you H-O

[Chorus]

I once knew a trick named Annie Mae (Annie Mae)
(I once met a bitch named Annie Mae)
I once knew a trick named Annie Mae (Annie Mae)
