

# Wave, Don't Leave

I laid my heart out on the line  
I couldn't keep it locked inside  
All because my pride  
I was so wrong  
With every moment that goes by  
I wonder how can I  
Keep you in my life

Chorus:  
Don't leave this way  
I ain't too proud to beg  
And I know that I'm to blame  
Though I never meant to hurt you at all

Please try and understand  
This is not a what I had planned  
Now it's all in your hands  
Don't let it go

Don't leave this way  
I ain't too proud to beg  
And I know  
That I'm to blame  
Though I never meant to hurt you at all

I never knew love like this before  
I never wanted more  
I'd never let it go

Don't leave this way  
I ain't too proud to beg  
And I know  
That I'm not to blame  
Though I never meant to hurt you at all

(Chorus)
