

Waylon Jennings, Don't Think Twice, It's All Right

Well it ain't no use to sit and wonder why, babe
If you don't know by now
And it ain't no use to sit and wonder why, babe
It will never do anyhow
When your rooster's a crowing at the break of dawn
Look out your window and I'll be gone
You're the reason why I'm traveling on
But don't think twice, it's all right

An it ain't no use in turnin' on your light, baby
The light I never knowed
An it ain't no use in turnin' on your light, baby
I'm on the dark side of the road
But I wish there was somethin' I could do or say
To try and make you change your mind and stay
We never did too much talking anyway
But don't think twice, it's all right

Well it ain't no use in calling out my name, gal
Like you never done before
It ain't no use in calling out my name, gal
I can't hear you any more
I'm a-thinking and a-wondering, walking down the road
I once loved a woman, a child I'm told
I give her my heart but she wanted my soul
But don't think twice, it's all right

So long honey baby
Where I'm bound, I cannot tell
But goodbye's too good a word, gal
So I'll just kinda say "Fare thee well"
Now I'm not saying that you treated me unkind
You could have done a lot better but I don't mind
You just kinda wasted my precious time
But don't think twice, it's all right
