

Waylon Jennings, Waymore's Blues, Part 2

Well I woke up this mornin' it was drizzlin' rain
Around the curve come a passanger train
Heard somebody yodel and a hobo moan Jimmy he's dead he's been a long time gone
Been a long time gone a long time gone
If you wanna get to heaven gotta D-I-E you gotta put on your coat and T-I-E
Wanna get the rabbit out of the L-O-G
You gotta make a cold motion like D-O-G like D-O-G like D-O-G yeah
(steel)
Well I got a good woman what's the matter with me
What makes me wanna love every woman I see
I was tri'fling when I met her now I'm tri'fling again
And every woman she sees looks like the place I came in
Looks like the place I came in place I came in
I got my name painted on my shirt I ain't no ordinary dude
I don't have to work I don't have to work
