

# Webb Pierce, Lonesome 7-7203

Had our number changed today although I hated to  
But each time the phone would ring they&#039;d want to speak to you  
And it hurts to tell them you&#039;re not here with me  
Maybe now oh telephone will let me be  
It&#039;s not in the book so now you&#039;d better write it down  
Just in case your love for me should ever come around  
You might want to call and break the news to me just call Lonesome 7-7203

Oh I keep the telephone beside me all the time  
Hoping you might want to call and say you&#039;re changed your mind  
If you do then darling you know where I&#039;ll be I&#039;m at Lonesome 7-7203  
You&#039;re the only one I&#039;m giving out new number to  
So now if the telephone should ring I&#039;ll know it&#039;s you  
If you ever long for love that used to be just call Lonesome 7-7203.
