He know I'm so impatient when it come to money makin

From school, to the blocks, from the tool, to the rocks

For the lil nigga with that glock ridin aroun d in somethin hot

Now it's bout time we hit our knees and tell god truth

Can't stop the way we livin just help us make it through

When I die take me through, up to heaven up with you

Gotta holla at my daddy and my nigga griles to

And god kno

And god know I'm thug life, u f\*\*kin right

So if nigga play with me of the op I gotta get him right

And god got my back so, when I act wow

The murder rate is sky high, nigga holla ride or die

These youngin sling that iron it ain't no mo takin pride

So put yo fist up in yo pockets and them bullets in the chamber

Cause niggas slingin iron like the lone ranger

Before they went sparked them trigger

He ain't tear ya up in church, but god pretty eyes done covered up some dirt

Plus he kept a thug alert

For these bitch ass niggas, these haters these rapists

These niggas in the swamp swear to god they alligators

Me an my niggas paper chasers (shit) we ain't stuntin

We do wat we gotta do, to get that money

And god kno my past

I'll end up grippin a steal

And god kno my temper

My temper like a bubble

You bust it you in trouble

Only god kno, it's hard yo, I'll lay up in ya yard wow  
I'll camouflage myself with my camouflage cargo  
The street ain't promised to us niggas in that dirty south  
Thas why I'm ridin with that nine I'm tryin make it out  
And it's hard to live, I'm a community where ain't no f\*\*kin unity  
They always say I'm dead they try to ruin me  
So boosie be on other shit  
Like jew-el-r-is and poppin chris  
And mac on u a model bitch  
Had a hoe that swallow dick  
Since 12 I saw alot of shit god kno I kno  
Witness a man get straight sprayed right in front of the store  
So I get a blunt and I roll it, hit the block actin a donkey  
Killin my own people, servin my own uncles  
And I  
[Chorus]  
{prayer}  
Our father who art in heaven  
Hollow be thy name  
Thou kingdom come  
Thy will be done on earth as it is in heaven  
[Verse 3:]  
But we stay reppin  
But we stay they got beasts up in my section  
I was raised bysome thugs, got rich off the d  
80 grams took my nigga, I'm missin ya petey  
God kno I need to send my niggas some pictures this  
And som change to keep nigga fresj kicks on his feet  
And god kno he raised me  
When donkey went jonsin  
Bronson kept me wide open  
And that's a fact  
But I kno they gon hate tho  
Cause I got blocks and raps and blocks of work so u can call me lego  
It's consequences, jumpin fences  
Cause the narcs tryin lynch us and they missin us by inches  
The judge the one who sentence make a nigga out a menace  
Commisary low so we take a nigga tennis  
A black eye is just like a scratch where I was raised  
Niggas handle they business if they ever felt played  
The beasts is crooked, the preacher crooked  
Saw my teacher at the strip club, damn, the teachers crooked  
[Chorus]  
[talking:]  
Now if don't nobody now  
God kno  
Nigga u a hood rat  
God kno
