

# Weekend, She Dances For Me

I can't let her go  
she's all I see.  
she dances for me! ohh!  
she's what I want  
she's in my dreams!  
the way she moves so beautiful!

I can't let her go  
she's all I see.  
she dances for me! ohh!  
she's what I want  
she's in my dreams!  
the way she moves so beautiful!

OhhOhhOhhOhh!  
OhhOhhOhhOhh!  
OhhOhhOhhOhh!  
OhhOhhOhhOhh!

I just can't help it when I look into her eyes  
see my reflection, as she looks right back at me  
Her loves so true, I know her heart would never lie  
I'm her protection, she is all that I need  
She pulls me close, and I don't want to get away  
I taste her lips and, slowly I surrender  
This magic moment is the place I want to stay  
With just one kiss we'll, make it last forever  
Oh, I love her yeah yeah  
I want her yeah yeah  
Now here we go

I can't let her go  
she's all I see.  
she dances for me! ohh!  
she's what I want  
she's in my dreams!  
the way she moves so beautiful!

I can't let her go  
she's all I see.  
she dances for me! ohh!  
she's what I want  
she's in my dreams!  
the way she moves so beautiful!
