

Ween, The Goin' Gets Tough From The Getgo

Smack dab in the middle of a situation
Overlooked by fools
Tables turned, lessons learned
You get burned for playin' by the rules
Time is lost, that's the cost
Oh brother you got shit on in the end
Scrape for a dollar, you'll die smilin'
Learnin' the same lessons once again

The goin' gets tough from the get go go man go
Oh brother not another motherfucker
Gotta go now
