

# Weezer, Dope Nose&nbsp;

Debt on my head  
Wasting time on my own

Sleep, rescue me  
Take me back to my home

For the times that you wanna go and  
Bust rhymes real slow  
I'll appear, slap you on the face, and  
Enjoy the show

Cheese smells so good  
On a burnt piece of lamb  
Fag of the year  
Who could beat up your man

For the times that you wanna go and  
Bust rhymes real slow  
I'll appear, slap you on the face, and  
Enjoy the show

this dope nose

For the times that you wanna go and  
Bust rhymes real slow  
I'll appear, slap you on the face, and  
Enjoy the show

Oh, this dope nose
