

Weezer, My Best Friend

When everything is wrong I'll come talk to you
You make things alright when I'm feeling blue

You are such a blessing and I won't be messing
with the one thing that brings light to all my darkness

You're my best friend
and I love you, and I love you
Yes I do

There is no other one who can take your place
I feel happy inside when I see your face
I hope you believe me
'Cause I speak sincerely
and I mean it when I tell you that I need you

You're my best friend
and I love you, and I love you
Yes I do

I'm here right beside you
I will never leave you
and I feel the pain you feel when you start crying

You're my best friend
and I love you, and I love you
Yes I do

You're my best friend
and I love you, and I love you
Yes I do
Yes I do...
Yes I do
