

Westlife, Bop Bop Baby (Single Remix)

(Once upon a time in a kingdom far, far away when men were still men, women were still virgins and sex was still sexy, there lived a beautiful maiden who wished to marry for love but her father wanted her to marry the vilest man in the kingdom for cold, hard cash. Only the mighty Musketeers could save her. However this plan had been thwarted after Duke Vincent had them cast into a filthy dungeon. There seemed to be no hope□

Mom always said nothing would break me or lead me astray
Who would have guessed I let my mind drift so far away
You always said I was a dreamer now its dead
I dreaming of things thats making my mind go crazy small things like

(Bridge) When I call you at home and he answers the phone
Or I get your machine and I dont hear me
When I lie in my bed with the thoughts in my head
When we danced and we sang and we laughed all night

(Chorus) Ooh da bop bop baby please dont let me go, cant live my life this way
Ooh, da bop bop baby please just let me know, and put my mind at ease for sure

On a love train, twenty odd years now I got off today
But nobody said the stop that Ive taken was a stop too late
Now Im alone Im thinking of stupid hurtful small things like

(Bridge)

(Chorus)

Maybe its time to say goodbye
Maybe its time to let this lie
This is when we must set things right
Now that were gone our separate ways
I just cant live these desperate days
This is what Ive been trying to say

Oh da bop bop baby please dont let me go, cant live my life this way
Oh da bop bop baby please just let me know (just let me know, just let me know)
Oh da bop bop baby please dont let me go, cant live my life this way
Oh da bop bop baby please just let me know (please dont let me go)

(Chorus)
