### Cube

It ain't my fault you wanna C-walk and gang bang when you hear the G-talk nigga swing that bitch 'til you break the ball joints niggas can't see me on this mic or this ballpoint Papa Don got it locked (got it locked) with the Glock got ya butt naked to ya socks yayae The Westside Connect Thugs...

Ain't no California Love just California slugs

Mack 10 <overlaps&gt;

Yo well by popular demand W.S. now I'm back heat loaded finna jack for another true platinum plaque It ain't new Westsiders been harder since Cube had the curl drippin' on the Raider starter (ha ha) cocked is a must if in heat you trust now bang the hot hopper 'til all four pumps bust (bust) Smoke dust then take ten paces with big bright bows in my flamed phat laces

#### W.C.

Thunder thunder hot as fire it's the return of the three kings
Zulu we're the gang bang empire
(singsong)
W.C. the C & Damp; B walker conduct the blue chucker painter pants yep I'm still bangin' on you busters In the Shark Bar G'd up I got'em nervous with hoes packin' gats in they candy sprayed purses Fresh off a 2 piece smelling like a pick it's that bandana swinger from the number 1 click

## Chorus

W.C. (singsong)
Blowed off yak with the W.S. tat'
with the whammy in the back
real riders where you at?

#### Cube

Bitch, I could give a f\*\*k if you liked me rollin' with the Mack, Maniac, & Description with the Mack in the general with the general

Mack
If it ain't a 64 it's a 6 double 0
foot to the flo' what you want from the sto'?

Bang loose off that act right juice Ghetto rich niggas sippin' on a deuce-deuce Fall in & Detail in the 'hood got us all gettin' shorted Servin' in the 'hood got us all gettin' shorted kick rocks or pick rocks from the D-dealer Westside ride against the grain in a three wheeler

W.C.

CONNECT GANG is back ching ching look at me kickin' 'em with a brand new track ching ching Call the G's all of the G's!!

Niir please get yo' ass out the chair throw yo' hands in the air with the craziest one of my alias no mistaken this trick don't play with this I'm the Original Shadiest Stayed in this played in this takin' it back to the days of gangsters it's sick as they come Let me know where you from!!!

Chorus w/ ad libs 'til end
