

Wet Wet Wet, Hourglass

I feel like Im pounding on a big door
No one can hear me knocking
I feel like Im falling flat to the floor
No one can catch me from falling
The hour glass has no more grains of sand
My watch has stopped no more turning hands
The crew have abandoned the ship
The lights are on but no one is in
Take it to the bridge, throw it overboard
See if it can swim, back up to the shore,
No ones in the house, everyone is out
All the lights are on and the blinds are down
Take it to the bridge, throw it overboard
See if it can swim, back up to the shore,
No ones in the house, everyone is out
All the lights are on and the blinds are down
I feel like I am calling on the telephone
No one can hear the ringing
I feel like Im running up a steep hill
No one can stop me from running
The hourglass has no more grains of sand
My watch has stopped no more turning hands
The little hand shakes its fist
The face is hanging out on a spring
Take it to the bridge, throw it overboard
See if it can swim, back up to the shore,
No ones in the house, everyone is out
All the lights are on and the blinds are down
Take it to the bridge, throw it overboard
See if it can swim, back up to the shore,
No ones in the house, everyone is out
All the lights are on and the blinds are down
Take it to the bridge, throw it overboard
See if it can swim, back up to the shore,
No ones in the house, everyone is out
All the lights are on and the blinds are down
Take it to the bridge, throw it overboard
See if it can swim, back up to the shore,
No ones in the house, everyone is out
All the lights are on and the blinds are down
The hour glass has no more grains of sand
Little red grains of sand
My watch has stopped no more turning hands
Little green neon hands
Take it to the bridge, throw it overboard
See if it can swim, back up to the shore,
No ones in the house, everyone is out
All the lights are on and the blinds are down
Take it to the bridge, throw it overboard
See if it can swim, back up to the shore,
No ones in the house, everyone is out
All the lights are on and the blinds are down
Feels like Im calling back to the shore
No one can hear me calling
Feels like Im falling back to the floor
No one can catch me from falling
Take it to the bridge, throw it overboard
See if it can swim, back up to the shore,
No ones in the house, everyone is out
All the lights are on and the blinds are down
Take it to the bridge, throw it overboard
See if it can swim, back up to the shore,
No ones in the house, everyone is out
All the lights are on and the blinds are down
