

# Wet Wet Wet, Hourglass

I feel like Im pounding on a big door  
No one can hear me knocking  
I feel like Im falling flat to the floor  
No one can catch me from falling  
The hour glass has no more grains of sand  
My watch has stopped no more turning hands  
The crew have abandoned the ship  
The lights are on but no one is in  
Take it to the bridge, throw it overboard  
See if it can swim, back up to the shore,  
No ones in the house, everyone is out  
All the lights are on and the blinds are down  
Take it to the bridge, throw it overboard  
See if it can swim, back up to the shore,  
No ones in the house, everyone is out  
All the lights are on and the blinds are down  
I feel like I am calling on the telephone  
No one can hear the ringing  
I feel like Im running up a steep hill  
No one can stop me from running  
The hourglass has no more grains of sand  
My watch has stopped no more turning hands  
The little hand shakes its fist  
The face is hanging out on a spring  
Take it to the bridge, throw it overboard  
See if it can swim, back up to the shore,  
No ones in the house, everyone is out  
All the lights are on and the blinds are down  
Take it to the bridge, throw it overboard  
See if it can swim, back up to the shore,  
No ones in the house, everyone is out  
All the lights are on and the blinds are down  
Take it to the bridge, throw it overboard  
See if it can swim, back up to the shore,  
No ones in the house, everyone is out  
All the lights are on and the blinds are down  
Take it to the bridge, throw it overboard  
See if it can swim, back up to the shore,  
No ones in the house, everyone is out  
All the lights are on and the blinds are down  
The hour glass has no more grains of sand  
Little red grains of sand  
My watch has stopped no more turning hands  
Little green neon hands  
Take it to the bridge, throw it overboard  
See if it can swim, back up to the shore,  
No ones in the house, everyone is out  
All the lights are on and the blinds are down  
Take it to the bridge, throw it overboard  
See if it can swim, back up to the shore,  
No ones in the house, everyone is out  
All the lights are on and the blinds are down  
Feels like Im calling back to the shore  
No one can hear me calling  
Feels like Im falling back to the floor  
No one can catch me from falling  
Take it to the bridge, throw it overboard  
See if it can swim, back up to the shore,  
No ones in the house, everyone is out  
All the lights are on and the blinds are down  
Take it to the bridge, throw it overboard  
See if it can swim, back up to the shore,  
No ones in the house, everyone is out  
All the lights are on and the blinds are down
