

Whigfield, Lost in you

I'm lost in you
In love we two
Pa Pa Pa Pa
Oh baby
Pa Pa Pa Pa
Oh baby
What has happened to me? Feeling like a change
Nothing is the same, Boy is it really me?
Calling out your name, 'Til you hear
When I look at the time, Seems to never pass
Til you're here at last, And I'm starting to fly
Baby you're the key, I believe...
I'm lost in you, Tell you what it is, Started with a
kiss
In love we two, Such a simple bliss, It started with a
kiss
Pa Pa Pa Pa
Oh baby
Pa Pa Pa Pa
Oh baby
Say that you'll never leave, now you touched my heart
there you placed a spark, and eventually
the spark became a flame, that's the game
I got things on my mind, Things I wanna do
All involving you, I can't leave you behind
Boy you make me high, Tell you why...
I'm lost in you, Tell you what it is, Started with a
kiss
In love we two, Such a simple bliss, It started with a
kiss
I'm lost in you, Tell you what it is, Started with a
kiss
In love we two, Such a simple bliss, It started with a
kiss
Pa Pa Pa Pa
Oh baby
Pa Pa Pa Pa
Yeah darling
I'm lost in you
Pa Pa Pa Pa
Oh Honey
In Love we two
Don't you know I'm lost in you?
Baby
Hey eh eh eh eh
I'm lost in you, Tell you what it is, Started with a
kiss
In love we two, Such a simple bliss, It started with a
kiss
I'm lost in you - oh, Tell you what it is, Started
with a kiss
In love we two - baby, Such a simple bliss, It started
with a kiss
I'm lost in you
