

# Whitney Houston, Who Do You Love

Who do you love? [X4]

I got a feeling you're the boy for me  
I bet your love can set me free  
I feel a love thing coming on  
It started week then got oh so strong

Strong enough to rock the world  
Straight up I want to be your girl  
So I keep praying to the stars above  
That it's me who you're gonna love

[Chorus:]

Am I the one?  
Is she the one?  
I wanna know  
Could it be me?  
Won't you tell me so  
Who do you love  
You've got to say  
Don't want to go  
Why can't I stay

I keep pushing so you'll be mine  
We'll be loving baby over time  
My sensitivity gets so high  
It keeps me dreaming that you're my guy

Then I have to stop and check myself  
Could it be that you love someone else  
I can't give in to jealousy  
So touch me now if you love me

[chorus]
