

# Whole Wheat Bread, Miss The Bus

Wasted all day  
And its time to get up  
Your already too late  
And you just missed the bus  
We can't be to blame  
If you got drunk with us  
Your excuses don't change  
Circumstance is, you're fucked

You're fucked, You're fucked,  
Because you missed the bus  
You're fucked You're fucked  
You forgot to wake up  
You're fucked, You're fucked,  
Because you missed the bus  
You're fucked You're fucked  
AAAWWWWWWWWW YOU'RE FUCKED!!  
FUCK
