She keeps her armor shining  
Missy she's a soldier  
She has learned to carry on  
And Missy she's a soldier  
She keeps her armor shining  
Yeah, she's a soldier  
She has learned to carry on  
Do Do Do Do Do Do Do Do Do Do

Missy she is older  
She's kept her armor shining  
Missy she's a soldier  
She has learned to carry on  
And now that she is older  
She's gonna keep it shining  
Yeah, she's a soldier  
She has learned to carry on  
Can you feel  
When your world is in your mind  
Can you feel  
Well, you've left it all behind  
Can you feel  
Well, there's nowhere you can hide  
You have been there all the time  
But you still go  
Can you feel  
When your world is in your mind  
Can you feel  
Well, you've left it all behind  
Can you feel  
Well, there's nowhere you can hide  
You have been there all the time  
But you still go  
Do Do Do Do Do Do Do Do Do Do
