

Why Store, She's Broken

Don't you save me
From my evil ways
Don't you save me
From this heavenly haze
Don't you save me
From your evil spells
Don't you save me
From this heavenly hell
From this heavenly hell
She's broken
He's gone
She's broken
He's gone
Don't you forsake me
I've gone my evil ways
Don't you forsake me
I've come here to say
Don't you forsake me
From the evil I've endured
Don't you forsake me
From this heavenly cure
From this heavenly cure
She's broken
He's gone
She's broken
He's gone
She says that I never knew
She says that I never knew
She says that I never knew
She says that I never knew
She's broken
He's gone
She's broken
He's gone
