

Whytेशadows, You Are The One

let me be yours tonight
hold me in your arms all night
leave the world far behind
take me high to your paradise

you are the one I love
you are the one I need
your the only one in my heart
baby come save me

the touch of your hands
you take all my pain away
and the sound of your voice heels my soul
forever I'm yours

you are the one I love
you are the one I need
your the only one in my heart
baby come save me

baby..I love you and I cant live without you

I cant imagine how life would be without you
you make the world complete
you mean the world to me

you are the one I love
you are the one I need
your the only on in my heart
baby come save me

you are the one I love
you are the one I need
your the only one in my heart
baby come save me

come and save me...
cause I want to be your love
