

Widespread Panic, Papa Legba

You'll be, hmm-hmm-hmm-hmm, magnet for money
You'll be, mm-mm-mm-mm, magnet for love
YJust gettin to feel, hmm, light in your body
Now I'm gonna say, ohh im gonna say these words:

Rompiendo la monotonia del tiempo
Rompiendo la monotonia del tiempo

It might hmm-mmm-mm-mm, it might rain money
It might hm-hi-hi-hi, it might rain fire
Now I'm gonna call, i'm gonna call on Legba.
Get yourself a sign, Get your love and desire.

Rompiendo la monotonia del tiempo
Rompiendo la monotonia del tiempo

Papa Legba,
Come and open the gate.
Papa Legba,
To the city of camps.
Now, when your children
Come and ride your horse
In the night, in the night
Come on and ride your horse

There is a queen, of six sevens and nines
Poison in your garden, Bust in your mind
There is a king, don't let him steal your soul
Don't let him catch you, don't let him get control.

Rompiendo la monotonia del tiempo
Rompiendo la monotonia del tiempo

Papa Legba,
Come ride your horse.
Papa Legba,
To the city of camps.
Now, we're your children
Come and ride your horse
In the night, in the night
Come and ride your horse
In the night, in the night
Come and ride your horse
In the night, in the night
Come and ride your horse
